

PROVINCIAL CIRCULAR

Salesian Province of St. Joseph, Hyderabad

INH/TVB/CIR 07/2020

May 29, 2020

My dear confreres,

I write this circular to you, a third one in this month, in order to announce the apostolic assignments for the year 2020-21. As you know I have withheld the transfer list thus far owing to the lockdown that continues to be in effect and the inter-state travel ban that is being enforced by state governments. We are aware that it is not safe even now to travel to certain places in the state or in the country. In the current crisis of the Corona virus pandemic, which seems to be on the rise in India with an average of over 6500 new cases of infection every day, we are faced with many challenges and uncertainties. Our normal life is not normal anymore and we are forced to make certain decisions or look at specific alternatives so as to ensure the future of our institutions and the continuation of our mission in our Province.

We have concluded another academic year 2019-20 and are preparing for the next academic year 2020-21 though the Corona virus pandemic has thrown our lives and plans into disarray on account of which we have to deal with many uncertainties regarding the future of our Institutions. However I thank you sincerely for your hard work and dedication with which each one of you contributed to the mission of the Community and of the Province in the past academic year. I thank you for your cooperation and good will. I also would like to invite and encourage those of us who failed to give their best in the past year to offer themselves totally to the service of the Lord among the young and those to whom the Lord has sent us.

I thank the confreres who are moving to different communities this year for their availability and acceptance. Obedience is not always a pleasant experience. Knowing this Don Bosco writes, "if at times you receive an unpleasant assignment, carry it out just as well, with good will and with the conviction that you will earn the love of Our Lord Jesus Christ and heaven's eternal reward" (in 1876, BM XII). Don Bosco affirms that obedience must be total, cheerful and prompt. "In taking this vow, we sacrificed our will to Our Lord, and therefore we ought to do whatever our superior may order. Do we like it? That is fine! Does it upset us because it is against our inclinations? So much the better! We acquire greater merit before God. But we should not obey with a sour face, as some people do. We ought to obey willingly and cheerfully accepting our superior's orders as coming from Our Lord Himself" (BM XII).

Let us continue to implore Mary our Help to intercede and obtain for us the grace of overcoming the present crisis as early as possible and returning to our normal lives. I provide you with the following directions concerning your new assignments for 2020-21.

1. Confreres with new assignments are expected to move to their new places latest by June 15, 2020 with a mutual understanding with those who will be replacing them.
2. Accounts and cash balances have to be handed over to the respective Rectors who will then ensure that they are passed on to the concerned administrators. On account of the fact that no one from the Provincial Team will be able to be present for the official handing over of accounts and finances, the time of the internal audit will be utilized for the same, which will be coordinated by Fr Economer. The respective communities will be informed of the dates for internal audit and handing over.
3. All the communities are encouraged not to organize any extravagant farewell parties or buy expensive gifts or make extraordinary purchases during the transfers in consideration of the ground realities of immense suffering, hunger and deprivation of the poor and the impending financial crisis that will hit each of our communities eventually.
4. I encourage confreres with new assignments to travel only when it is safe and legally permitted or with proper permission from authorities, ensuring necessary safety precautions.
