As I convey my heartfelt congratulations to all these confreres, who have made themselves available for the service of leadership in the Province in various capacities, I would also express my deepest gratitude to the following confreres who have successfully finished either first or second or even a third term as Rectors of Communities. I thank them for their leadership, personal example and creative fidelity to the mission of which they have been unwavering stewards and guardians.

I thank Fr. Kannadipara Mathew - Manoharabad; Fr. Pentareddy Jayapaul - Sanathnagar; Fr. Marneni Mariadas - Kadapa; Fr. Mallavarapu Rayanna - Kondadaba; Fr. Guntaka Marianna - Mangalagiri; Fr. Gangarapu Anil - Nuzvid; Fr. Nali Anthaiah - Raptadu; Fr. Medabalimi Balaswamy - Guntur and Fr. Thathireddy Michael - Punganur for their service and commitment in their respective communities as guardians of the Salesian Charism and animators of confreres and lay collaborators.

As I invite you to join me in giving thanks to the Lord, who has enabled us through the Spirit to identify suitable leaders at the service of our mission for the salvation of young people, I would like to remind ourselves of our shared responsibility and participation in the mission of the Provincial Community entrusted to each local community. "Our common vocation requires the responsible and effective participation of all the members in the life and action of the local, provincial and world communities, not only in terms of implementation but also of planning, organizing and evaluating, according to their respective roles and competence. This shared responsibility requires also the participation of the confreres, in the most suitable way, in the choice of those responsible for government at the different levels, and in the working out of their more important decisions. It is the duty of those who exercise authority to promote and guide this contribution by means of adequate information, personal dialogue and community study and reflection." C.123.

In the spirit of this article mentioned above, I urge each one of you to pro-actively and creatively contribute to the common mission of our communities through participation and shared responsibility, for the mission is entrusted to the Community and not to any single individual confrere, while the leader or the rector takes on the role of being the guardian of the legacy of Salesian Charism. May the Spirit of the Lord and the intercession of Mary Help of Christians help all of us, especially the newly-appointed rectors to become an embodiment of the Father's unconditional love and compassion of which we are signs and witnesses for the young.

Yours affectionately in St John Bosco,

Yours in the Lord,

Fr Thathireddy Vijaya Bhaskar SDB,  
Provincial
